

FROM CROWN TO SOLE

We are now prepared to supply everything necessary for the proper outfitting of males of all ages from the crown of the head to the sole of the foot.

Clothing.

There is no let-up in the demand for those \$10, \$12 and \$15 Suits, and by far the easiest customers we have are those who have been and looked at all the other stocks in town. They can appreciate the SUPERIORITY OF OURS. Superiority of fabrics, style, trimmings and fit. And they DO FIT, as well, or better, than most custom-made garments. Finer suits if you want them; finer ones than any one else can show at any price. But the talk of the town—big values in the \$10, \$12 and \$15 grades.

Hats.

It really seems as if every man and boy in town must have a new hat, we have sold so many of them. This selling of every hatter's \$5.00 Derby at \$3.00 is telling wonderfully. Is bringing us new customers every day. Men who know qualities say that our present stock of all kinds of hats is the best selected and most reliable assortment ever exhibited in Washington.

Derbys for men and boys. Fedoras and Crush Hats for men and boys. Bicycle, Yachting and Golf Caps for everybody, and Straw Hats for men, women, boys, and children, the newest styles, the best qualities at the lowest price.

Furnishings.

We couldn't keep it a secret if we tried, about this superb stock of Negligee Shirts. Each customer is pleased and sends his friends, who in turn send theirs, and thus the information spreads, and the shirts are sold.

As a special flyer for a few days, we shall sell 90 dozen fast-color, neat patterns, Percal Negligee Shirts, a regular 85c quality, at 50c each. All sizes for men and boys.

In our advertisement of Boys' and Children's Balbriggan Drawers at 20c, or 3 for 50c, it should have read SHIRTS. We have no drawers to match, but you had better get some of the shirts. They are cheap at 50c each, but are sold for 20c, or 3 for 50c.

Shoes.

We propose to make this new Shoe Department of ours the most popular shoe store in town. We shall sell only good shoes, but shoes that are easy on the purse as well as the feet. Our leaders are handsome Calf Bals, three different shapes, Derby, Globe and the celebrated razor toe lasts, at \$3.00, the best \$3.00 shoes in America. We also have an extra good grade of Tan and Calf Bals at \$2.40, the equal of any \$3.00 shoe in town. It is stylish, dressy, and serviceable. Finer shoes at \$3.50, \$4, \$4.50, \$5 and up.

NEW POLICE LIST ON JUNE 30

Justice Smith Says a Good Word for Sgt. Daley—Second Week of Tax Collections—Progress of Assistant Assessors—Record of Deaths at the Health Office.

The appointments made to the police force yesterday, filled all but one of the existing vacancies. Commissioner Truesdell not having completed the inspection of the paper of applicants for the remaining position.

There will be an increase of the force under the appropriation act for the year commencing July 1, and for these new positions there is likely to be a lively scramble. The act provides for ten additional appointments to the force of privates and one additional inspector with the rank of lieutenant.

The aspirants are all in the hands of their friends, particularly those who have an eye on the promotion. Commissioner Truesdell has received a great many letters in behalf of all the eligibles, and there is strong pressure being brought to bear for the favorites.

Justice Carroll W. Smith has been before the Commissioners to speak a word for Sgt. Daley for the inspectorship. Mr. Smith said he was not very well acquainted with the Sergeant personally, but he knew him to be well equipped for the place, and that he had the best of recommendations.

THERE WILL BE DELAY. There will be no immediate action taken by the Commissioners, but it is confidently believed that the appointments will be made before the beginning of the fiscal year.

The appointments for the present vacancy will probably be made early next week.

Workmen are now employed, under the Engineer Department, in inspecting the line of the proposed Rock Creek intercepting sewer. Borings are made on the surveyed route, to ascertain the character of the soil, and obtaining other particulars necessary as a means of developing a correct understanding of the ground.

The aggregate of the tax collections for the second week, ending yesterday, was \$28,615.66, apportioned as follows: Monday, \$37,809.91; Tuesday, \$47,297.87; Wednesday, \$49,127.93; Thursday, \$67,888.48; Friday, \$66,441.67; Saturday, \$45,979.80. The total anticipated collections for the month of May is in round numbers \$2,000,000.

Holding permits were issued yesterday as follows: Catholic University, for the construction of two frame buildings, \$5,500; John Conner, brick dwelling, No. 2308 Virginia avenue northwest, \$2,300; H. J. Edwards, brick dwelling, No. 1817 Oregon avenue, \$4,500.

ASSESSORS REPORT PROGRESS.

The board of assistant assessors are progressing in their work at the rate of about four squares per day. They commenced on the assessment of new buildings, at Rock Creek and have just reached Fourth and half street. In the general assessments, upon which the triennial valuation is based, they have gone over the ground from Rock Creek to Seventeenth street and from the boundary to the Potomac river.

The work on the annual assessment, which applies to new buildings, is being pushed more rapidly than the general assessment, for the reason that the former must be completed by the first of July of the present year.

The record of deaths entered at the health office for the twenty-four hours ending at 1 o'clock p.m. yesterday, showed an aggregate of twelve, nine white and three colored. The deceased were: William J. Edwards, aged sixty-five; Susan V. Smith, aged fifty-one; Margaret R. Barr, aged fifty-three; Elizabeth Park, aged seventy-six; Ella Morgan, aged seventeen; Katherine V. Talbot, aged one.

Cor. Chapman, aged one; Margaret Costello, aged eleven months. Colored—John A. Douglas, aged nineteen years; Anna V. Smith, aged seventeen years; James N. Hawkins, aged nine months. A. A. Grim, having served a satisfactory probationary term, was yesterday appointed assistant foreman in the fire department.

IT

We are not wholly mistaken the excellent character of the goods we carry and the very modest prices we name for them are a STANDING REBUKE to those dealers who make and quality of whose goods are inferior and prices extravagant. Furthermore it should be borne in mind that our immense stock of

THE FIRE

which occurred in our store a short time back made it necessary to get rid of all the goods then on our hands—which we did—hence
